

# Neighborhood Captain Program

## HOW IT WORKS

- Dermer Dreams delivers the Neighborhood Captain 50 donation bags and flyers
- The student creates the best strategy to distribute the bags and collect as much food as possible
- The student along with a parent or adult over 18, picks up the donations & delivers them to the Dermer Dreams drop site
- Upon delivery, the student receives a Certificate for 10 hours of Community Service

## EVERY BAG COUNTS

### Strategies To Help You Create Your Own Food Drive

- Text family and friends who live nearby to request they fill up one or more bags.
- Raise money through Venmo to go shopping to fill a portion of your bags.
- Distribute bags to people in your community.
- Give out bags in front of a supermarket and ask if people will fill the bag.
- Include a personal note inside the bag about why you want to help people who are hungry.
- Offer personal pick-up times where someone can text you to pick up their bag.
