

Hey Leaders!

Use This **SAMPLE LETTER** (to recruit students to your team)

Dear Friends,
I signed up for the Dermer Dreams Leadership Program and created my team
(TEAM NAME).

My job, as team leader of (TEAM NAME) is to recruit 10 students who will each run their own food drive. I would love it for you to be part of our team!

To join the (TEAM NAME), you will be required to distribute 100 Dermer Dreams food donation bags and collect as much food as possible. All of the members of our team will pick up and deliver the bags to the Dermer Dreams Drop Site.

After you complete the program, you will receive a certificate for 20 HOURS OF COMMUNITY SERVICE and our team will feed people who are hungry in our community.

Attached is a flyer with the information on How it Works. For more information, please visit www.dermerdreams.org and click on the Neighborhood Captain tab.
